Independent Auditors' Report

Report on the Financial Statements

We have audited the accompanying financial statements of The New America Schools Network, which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The New America Schools Network as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements. The statement of functional expenses listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the statement of functional expenses is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO THE FINANCIAL STATEMENTS

June 30, 2015

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization – New Americas School Network (the “Organization”) was incorporated in 2010 for the purpose of developing and operating public charter schools. The Organization’s mission is to “empower new immigrants and English language learners with the educational tools and support they need to maximize their potential, succeed, and live their American dream”. The Organization is recognized as a tax-exempt organization under Section 501(c) (3) of the Internal Revenue Code.

Basis of Reporting – The Organization’s financial statements have been prepared using generally accepted accounting principles for non-profit organizations and the accrual basis of accounting.

Financial Statement Presentation – The Organization reports its financial position and activities in three classes of net assets; unrestricted, temporarily restricted and permanently restricted. As of June 30, 2015, the Organization did not have any permanently restricted net assets.

Cash and Cash Equivalents – For the financial statement purposes, the Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable – Accounts Receivable consist of pledges receivable. At June 30, 2015, management has not recorded an allowance for doubtful accounts. The Organization writes off accounts receivable to the allowance account after reasonable collection efforts have been made. Payments subsequently received are recorded as revenue.

Contributions – Contributions received as well as collectible unconditional promises to give are recognized in the period received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. Support that is restricted by the donor is reported as unrestricted net assets if the restriction expires in the reporting period in which the support is recognized.

Temporary restricted net assets are reclassified to unrestricted net assets when the donor restriction is satisfied. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Functional Allocation of Expenses – The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
